

**In the Name of Allah**

**Unit2 Quiz**

**Full name:** .....

**Time:** 90 min.

**Class:** .....

**School:** .....

**A. Listen to the dialogs and choose the answers. (4 points)**

**Dialog 1**

**1. Why is Bill depressed?**

- a. He's been in his room for several days.
- b. He failed his science exam.
- c. He couldn't take his science exam.

**2. What are they going to do about Bill?**

- a. try to take him out
- b. help him study
- c. let him stay at home and relax

**Script**

A: Hey Brian. What are you doing?

B: Nothing much. What are you up to?

A: I am just a bit worried about Bill. He hasn't been himself lately.

B: He took the science exam and failed.

A: That's terrible. He must feel depressed.

B: Yeah. He's been in his room for the last 5 days.

A: mmmm well, why don't we take him out? Hanging out with friends can make him feel better.

B: That's a great idea. Why don't we call him now?

A: Good idea.

## Dialog 2

### 1. What are Amanda's changes all about?

- a) She has lost weight and has a haircut.
- b) Her hair is shorter and has lost some weight.
- c) Her hair is longer and has gained some weight.

### 2. What happened to Amanda?

- a) She got married about two years ago.
- b) She has two kids.
- c) She's studying in Harvard University.

## Script

**Rose:** Amanda Lewis? I haven't seen you for ages!!

**Amanda:** Oh, Rose!! How have you been?

**Rose:** Pretty good. Say, you have really changed a lot.

**Amanda:** Well, I've lost some weight and my hair is longer than before.

**Rose:** You look great. How has your life changed?

**Amanda:** I'm doing really well, Rose. I married about 4 years ago and I have 2 kids now. How about you?

**Rose:** That's terrific! Well, I'm studying in Harvard University and working in a department store as a part time job.

**Amanda:** Harvard University?! Bravo! You deserve the best.

### Dialog 3

#### 1. Why does Bella need to see the doctor?

- a) She's taken some pills.
- b) She has a pain on the left side of her body.
- c) She has a pain in her stomach.

#### 2. How long has she had a pain?

- a) since Thursday
- b) for one week
- c) since this Wednesday

#### Script

A: Hello Bella. I am Alice Jones, Dr. Taylor's nurse. Why do you need to see the doctor today?

B: I have a pain in my stomach.

A: How long have you had the pain?

B: Since last Wednesday. That's almost 1 week.

A: On what side do you have the pain? The right or the left?

B: On the right.

A: Do you have the pain all of the time?

B: No. It comes and goes.

A: Have you taken anything for it?

B: Yes, I've taken some pills.

A: OK. I'll tell the doctor and he'll be in to see you soon.

## Dialog 4

### 1. How long has the father felt weak?

- a) one year                      b) for a few years                      c) since his youth

### 2. Why is the father feeling weak?

- a) old age                      b) disease                      c) both a & c

### Script

A: I haven't seen your father for a few years. How is he doing?

B: He's not doing too well.

A: Why? What's wrong?

B: About a year ago, he started feeling weak all the time. He's not that active person anymore, you know....

A: Is it because of old age or a special disease?

B: Maybe a little of both. I think it is because he didn't take care of himself when he was younger.

A: That's right. It's important to take care of your health early in life.

B: Yeah, my father keeps telling it to me almost every day.

A: Well, I hope he starts feeling better. Say hi to him for me.

2. Mrs. Tabesh is my favorite teacher. She **was/ has been** in our school **for/since** three years ago.

**E. Read the text and answer the questions. (2 points)**

There could be a pill to help people who do not exercise. Scientists say the exercise pill could make us healthier. It could give us more stamina, a better mood, a healthier heart and a longer life – all with no exercise. The pill gave mice 70 per cent more stamina. This is good news for people who hate exercise. The scientists looked at how exercise changes the body. A researcher wanted to know if he could replace exercise with a drug. He found a chemical that copies the good things about exercise without exercising. The chemical burnt body fat instead of sugar. This increases our stamina without needing to exercise.

1. What is the main idea of this passage?

- a. Some pills help us to decrease weight.
- b. Exercise is better than taking medicine.
- c. A pill that can make us healthier.

2. Which one is NOT a result of taking exercise pill?

- a. We will live longer.
- b. We will get stronger.
- c. we will have a better mood.

3. What is the mechanism of exercise pill?

- a. It burns both fat and sugar.
- b. It burns sugar instead of fat.
- c. It burns fat instead of sugar.

4. The research is probably good news for .....

- a. sportsmen
- b. couch potatoes
- c. chemists

**F. Read the text and fill in the blanks with the sentences given. (2 points)**

.....**1**.... . A survey into the Internet habits of 254 students found 107 students were addicted or had problems like depression. ....**2**..... He said people with Internet addiction were more depressed and had problems with time management. They also avoid communicating with friends and family members. ....**3**..... We know little about the dangers of Internet addiction.

**J. JAM (Just A Minute talk) (2 points)**
