۳/۵	<p>متن زیر را بخوانید و به سوالات به صورت خواسته شده پاسخ دهید.</p> <p>Some people prefer to provide help and support directly to those in need. However, others prefer to give money to national and international charity organizations. Giving money to those in need can be a personally good experience, but there is a choice between donating nationally and internationally through charities or giving directly to those around you.</p> <p>One of the advantages of providing direct support is that you can know exactly how your money is spent. Another <b>benefit</b> is that you can see the impacts on those you are helping, which can lead not only to great personal happiness but also to respect from others who appreciate the work you do.</p> <p>There are advantages in giving to charities that are national and international. First and the best is helping in problems of global importance, such as curing diseases and human rights or helping those who are in bad environmental events like earthquakes and floods.</p> <p>In conclusion a person should make their own choice in helping others. The important point is that we continue to give to those who are more in need than ourselves.</p> <p>45. What can it lead to when you see the impacts on those you are helping?</p> <p>46. What is the important point in helping others?</p> <p>47. What is the closest synonym for the word “<b>benefit</b>”?</p> <p>a. experience                      b. advantage                      c. choice                      d. effect</p> <p>48. Helping people in bad environmental events has the global importance.      a. True      b. False</p> <p>49. All people feel great personal happiness when they help others.                      a. ۴/۵	<p>متن زیر را بخوانید و به سوالات به صورت خواسته شده پاسخ دهید.</p> <p>A dictionary is a collection of words ranging from letters A-Z. When reading or writing a story, an essay, a paragraph or even a sentence, using a dictionary is a great help.</p> <p>There are many advantages of using a dictionary. So, using a dictionary is important for students. The first advantage of using a dictionary is pronunciation. We can also listen to the pronunciation of the words if we use an audio dictionary. The second advantage of using a dictionary is checking out a word’s right spelling. The third advantage of using it is learning a word’s part of speech. <b>It</b> is one of the types into which words are divided in grammar according to their use, such as noun, verb, or adjective.</p> <p>Lastly, example sentences are mostly <b>available</b>. Seeing specific words used in a sentence can provide more context and help you better understand proper usage. However, searching words by using a dictionary takes a lot of time. By using a talking dictionary, we are able to look the words up in a few minutes.</p> <p>As a result, a dictionary is a great help for everyone, especially students who are learning a language and who are interested in language learning.</p> <p>people borrow words from other languages when they need them.</p>	۱۵
